Playing a role in transforming the healthcare system and showing the world what we can achieve.

# Our People's Life matters.

## **Life matters.**

That is why I am committed to make a difference.

## **Inventing for life.**

Playing a role in transforming the healthcare system and showing the world what we can achieve.

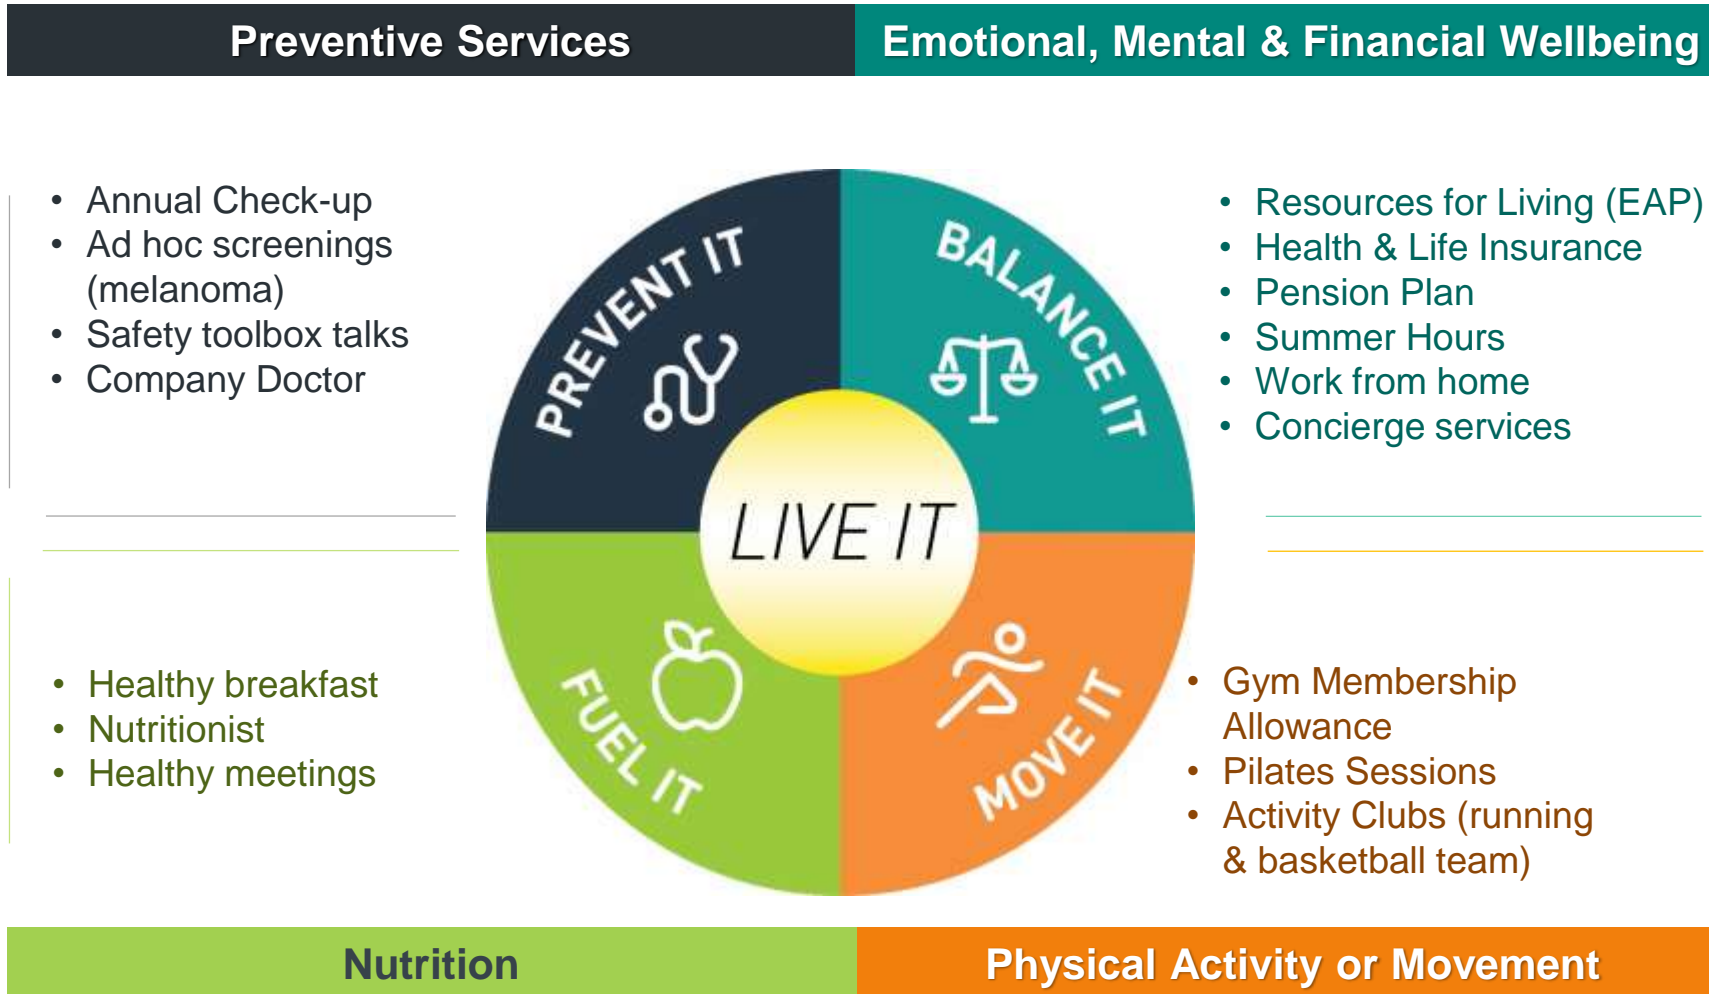

## What is LIVE IT?

- LIVE IT is MSD's comprehensive and integrated approach to wellbeing
- LIVE IT goes beyond physical health to include emotional health, financial health and safety

***LIVE IT* is NOT an HR Program, it is a cultural and mindset shift**

# LIVE IT \_ 4 Pillars of Action

**Life matters.**

That is why I am committed to make a difference.

**Inventing for life.**

Playing a role in transforming the healthcare system and showing the world what we can achieve.
